Loving hearts. Innovative minds. Faith-filled spirits

Dear CAW Families and Supporters,

I am extremely proud and happy to be sharing with you the first Catholic Academy of Waterbury Preferred Business Directory. This is our school community's "first source" for businesses and resources we use for our families, homes, buildings, activities and events. These businesses support our school, **so we want to support them**. Please consider keeping this book in an important place in your home and consult it first when making a purchase, planning an event, seeking a service, or fixing your home.

This fundraiser has served multiple needs for our school. It has been a way to raise needed money that does not rely on turning to our school families and extended family members to purchase items. This directory has also been a fruitful way to engage the community and grow awareness about our school. It is a vehicle for evangelization of Catholic education and all that it does to support the future of our beautiful Catholic Church and the greater Naugatuck Valley community. I'm so glad for the hard work of our Home-School Association to make it happen!

If you are a business that would like to participate in next year's directory, please follow the QR code below. We look forward to working with you in the future and hope you will consider our preferred business directory and the hundreds of families who use it when fulfilling your advertising needs.

Sincerely,

Christa Chodkowski
